SUMMARY

Skilled Full Stack Web Developer proficient in MERN stack technologies. Experienced in frontend and backend development, with a focus on good api handling, UI design and scalable server-side architecture. Eager to contribute innovative solutions and collaborate within dynamic teams.

SKILLS

- **Frontend Development**: React.js, JavaScript (ES6+), HTML/CSS, Redux (or Context API).
- **Backend Development**: Node.js, Express.js, RESTful APIs, MongoDB (or other databases).
- **Problem-solving** : Competitive Programing with C++.

PROJECTS

LearnShareHub   **Full Stack Web Application**

- Implemented secure user authentication and role-based access control for students and faculty members.
- Developed interactive features including opinion sharing, project submission and approval, publication management, and course details management (for faculty).
- Enabled administrative controls for user and content management, ensuring smooth operation and oversight of the website.
- Approximately **90% time saved** by consolidating redundant API calls through centralized data management with useEffect and local storage.

Whispersync   **Full Stack Web Application with socket.io**

- Built a threaded discussion app (Threads clone) using MERN stack, Socket.io and chakra-ui.
- Users can create and delete public threads, comment & like content.
- Users can follow other users and can freeze their account too.
- Enables private chat functionality between users with seen/non-seen indication and image compatibility.
- User can toggle between Light and Dark mode.

BlogApp   **A React App with Appwrite as BaaS**

- Created a Blog Website using react and Appwrite i.e. backend as a service.
- Used Appwrite services for User Authentication and storing the articles into the database.
- Used tiny-mce editor to make a real time editor for post creation.

EDUCATION

Indian Institute of Information Technology, Surat   **2021-present**

BTECH in Computer Science and Engineering

- **CGPA** : **8.83**

Agarwal Vidya Viahar, Surat   **2007-2021**

Higher Secondary Certificate

- **GRADE : 94.6%**

ACHIEVEMENTS

- **TVS Credit Epic 5:** Participated in TVS Credit EPIC 5 and cleared the round 1 successfully.
- **Coca-Cola Disrupt Season 3:** Participated in Coca-Cola Disrupt season 3.

LANGUAGES

- **Programing Languages:** C++, Java Script, Python, SQL, MATLAB.
- **Spoken Languages:** English, Hindi, Gujarati.
